

Midwest GameFest Anti-Harassment Policy

Midwest GameFest and The Role-players Guild of Kansas City LTD (our parent organization) are dedicated to providing a harassment-free convention experience for everyone regardless of, including but not limited to, gender, gender identity, and expression, sexual orientation, disability, physical appearance, body size, race, age, political/group affiliation, ethnicity or religion. We do not tolerate harassment of convention participants in any form. Convention participants violating these rules may be sanctioned or expelled from the convention, without a refund, at the discretion of the convention organizers.

What is Harassment?

Harassment includes, but is not limited to:

- Physical assault and/or battery
- Intimidation
- Stalking, or following
- Harassing photography or recording
- Sustained disruption of talks or other events
- Bathroom policing
- Offensive verbal comments
- Inappropriate physical contact
- Unwelcome physical attention
- Advocating for, or encouraging, any of the above behavior

Participants asked to stop any harassing behavior are expected to comply immediately. Exhibitors in the expo hall, sponsor or vendor booths, or similar activities are also subject to the anti-harassment policy. If a participant engages in harassing behavior, event organizers retain the right to take any actions to keep the event a welcoming environment for all participants. This includes warning the offender or expulsion from the convention, with no refund.

Event organizers may take action to redress anything designed to, or with the clear impact of, disrupting the event or making the environment hostile for any participants.

We expect participants to follow these rules at all event venues and event-related social activities. We think people should follow these rules outside event activities too!

Reporting

If someone makes you or anyone else feel unsafe or unwelcome, please report it as soon as possible. Harassment and other code of conduct violations reduce the value of our event for everyone. We want you to be happy at our event. People like you make our event a better place.
